Application of Water Service Corporation of Kentucky for an Adjustment of Rates
Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

I am a 90 yr. old widow on a fixed
income. Clinton is a small town with
a lot of seniors in the shape I'm in and
don't have a lot of money. That is why if
we have to pay more for water we don't
have a lot left to live on.

Please thank us and put yourselves
in our shoes and thank it over.

Thanks for listening

Signed
